

Model United Nations of Munich
14th – 17th November 2017

Resolution check form

page 1 of 2

General Assembly Committee 1 (Disarmament & International Security)

1. For the delegate to fill in:

The resolution was submitted by the following delegation:

The resolution concerns the following issue on the agenda:

- Controlling illegal weapon smuggling, especially in crisis zones and focusing on avoiding criminal organizations to obtain weapons
- Strengthening measures to prevent the development of nuclear technologies by countries not approved by the IAEA (International Atomic Energy Agency)
- Measures to assure security for Syrian civilians trapped in the conflict, and measures to prevent any use of violence and weapons against those civilians

2. For the Chair to fill in:

Tick the box if aspect has been approved

- Layout (See example resolution)
- Pre-ambulatory clauses (Are the clauses underlined and separated by commas?)
- Operative Clauses (Are the clauses underlined and non-binding?)
- Content (Is the content debatable?)

If all the boxes have been ticked, then please sign here and ask the delegate to take the resolution to the Approval Panel:

Name of chair:
